Topic	Discussion	Follow-Up (Action, status, Outcomes)	Accountable (Who/When)
Minutes	The prior meeting minutes were reviewed and approved with corrections.		
OLD BUSINESS			
Helipad risk assessment tool	<p>Stan reviewed the current risk assessment results:</p> <ul style="list-style-type: none"> • 118 helipads included so far • Results have been relatively consistent among different evaluators across the board and he believes the information is valid. • We should list pads not surveyed • Standardized 5 letter GPS listings should be considered, possibly use the OACCT binder designators 	Colin suggested that for now we continue to use the tool to gather information and identify the problem helipads. We will leave the outreach for later.	All services

Weather turndown.com	Discussed Dave Reese's input and survey on weatherturndown.com. Colin stated that he is seeing an increase in weather shopping by hospital facilities in the Central Ohio area.	It was agreed to send out the weatherturndown.com survey out to programs via Survey Monkey	Stan Kocol
NEW BUSINESS			
Mercy Saint Vincent helipads	Will be temporarily closing in June for complete refurbishment.	A NOTAM will be issued.	Stan Kocol
2 helicopters called to same scene or hospital	Colin stated that there has been increase in 2 aircraft being dispatched to the same request by different programs.	All programs should be aware of this. Specific programs should directly work safety issues between specific programs.	All
Cleveland Clinic letter requiring flight following	Cleveland Clinic issued a letter requiring notification before accepting a transfer and flight following with the Cleveland Clinic. Many programs have reported being directed to Burke Lakefront Airport and ground transport using a specific service. Programs have been reported being charged cash by this service for ground transport to the clinic.	Discuss at the open meeting	Tammy Weaver

OSU Hospital helipad	Medflight reports they have received noise complaints from the Victorian Village residential neighborhood south of OSU hospitals. Colin asked that if you are holding to land, to hold over the Lennox shopping center directly west of the hospitals, west of SR315.	A NOTAM will be issued.	Colin Henry
