|---|---|--|--------------|
| NEW BUSINESS | | | |
| Two aircraft dispatched for one patient | This was a lively conversation that re-introduced the idea of data sharing and opened some discussion on a central dispatching system. Some other brainstorming ideas mentioned was the need for a Quality Committee and an Advisory Council. More to come on this topic. | | All services |
| | | | |
| Noise Complaints at OSU and Riverside hospitals | Winds and weather permitting, please avoid the houses North and West of the railroad tracks at Riverside hospital. Please follow the notice and not fly lower than 1200' over the Victorian Village area located approximately 4 miles North of OSU Medical Center helipad. | | Colin Henry |
