Topic	Discussion	Follow-Up (Action, status, Outcomes)	Accountable (Who/When)
Minutes	Meeting called to order at 09:00. Meeting was a review and discussion of last month's minutes		
OLD BUSINESS			
Helipad risk assessment tool	The group decided to post the helipad risk assessment tool to the OACCT website	Have MedFlight post to OACCT website	MedFlight
Weather turndown.com	Dave Reese has completed the weather turndown survey and it has been sent out to the general membership. Stan will send out a reminder to complete this prior to the next meeting.	Stan to send out a reminder	Dave, Stan
COTS	Tabled for the general meeting.	Tabled	Tabled

NOTAM	Dave Reese reported that there was a link to report NOTAMS. He was going to send that link to Stan who would distribute to the group and post to the OACCT website as well. Confirmed that Stewart Corbin would present about this distribution link to the group at the next meeting.	Distribute and post	Stan
Construction upgrades	Akron reported that there is considerable construction happening on campus. They will provide the group with NOTAM and updates prior to the arrival of cranes for the construction.	Update as needed	Kendra, Bill
Webex	Discussed adding this to the general meeting agenda regarding its use for the general meetings	Add to general meeting agenda	Stan
Ground Safety	Linda has said she would try to report ground accident information to the committee at each meeting moving forward	Begin reporting grd accident info	Linda
Airspace meetings	The group discussed strategies to promote these meetings. Discussed that maybe OACCT could coordinate those meetings.	Ongoing discussion	Committee
New Business			
Next meeting	The committee was reminded that our next meeting will be at the OOMTB offices at 4200 Surface Road, Columbus.	Reminder	Committee
OACCT website	The committee discussed bringing to the general assembly the need to update our website	Reminder	Committee
Ground Risk Assessment	The committee discussed bringing copies of our ground risk assessments to the next meeting to initiate ground safety discussion	Reminder	Committee
MARCS scene communications	The group expressed their frustration with the difficulty of communicating with first responders on the MARCS radio system.	Discuss MARCS communications with first responders.	Committee

	We would like for this to be a topic of discussion at the next meeting.		
	With no further business to discuss the meeting was adjourned.
