COTS	Reported that the COTS and Ohio Airspace Agreement were merged into one document by Aaron Winfield who was not present to update. The document as it stands was reviewed by the committee. Dave Reese requested changing definition of coordinating comm center as its current definition did not apply to operations entering the Clinic airspace. Colin expressed concerns that we are drifting from the original focus of the COTS agreement. After much discussion, the group decided to appoint a sub-committee to review and re-evaluate the document as it stands. Sub committee to be Dave, Deanna, Shawn, Aaron, Chip and Brad	Re-evaluate document	Sub-Committee
Construction Upgrades	None reviewed	None reviewed	Angelique
HEMS Communication Plan	The HEMS agreement was reviewed by the committee. Dave reports that para. 7 has changed to read that OACCT recommends using the ATAC fx. Deanna reported that she is attending the State Fire Alliance meeting on the 28 <sup>th</sup> and would be happy to share the agreement with them if approved by the general assembly. Bill motioned to send this document to the general assembly for final approval. Mike Jackson seconded.	Send to general assembly for final approval.	Committee
