Topic	Discussion	Follow-Up (Action, status, Outcomes)	Accountable (Who/When)
Minutes	Meeting called to order @ 09:10. Minutes from previous meeting 11/20/2015 were reviewed.		
LZ control	Reviewed the LZ control website. Not all hospitals are in this website. Each area is going to enter info for their respective areas. The website is not mandatory but will be available for pilots or crew to use. Link is to be posted to the OACCT website	Can be used as a resource.	All
Construction Upgrades	NOTAMS have been coming out via members at oacct.com. Comm Center and pilots find in the weatherturndown.com Group finds it helpful to have people email sent to the members@oacct for outside services to send out alerts for construction. <ul style="list-style-type: none"> <li>• Metro Crane 1<sup>st</sup> week in April posted on wxturndown.com</li> <li>• Akron General – New pad next to old one</li> </ul>	Ongoing	None

<p>Helipad risk assessment</p>	<p>Propose that at next meeting with look at the helipads that scored in the red. Teams to go back to the pilots to review any hospitals that the pilots would like to address. Toledo pilot reported that Napoleon and Henry County Hospital would be hospitals that he would like to address. He reports the hospital has made some improvements. Group to identify 5 helipads to address that have scored in the red and do homework. Oberlin in Toledo. Med Central Shelby. Amherst EMH regional, Martin's ferry, and Med Central Mansfield.</p>	<p>Janie will update the excel formulas. Janie not present address next meeting</p>	<p>Every Program</p>
<p>HEMS Scene Communication Plan  Helicopter Shopping Letter  Helicopter Air Ambulance Safety Measures</p>	<p>All of these cards were made out and handed out to the group. Anyone that needs these can contact Teresa. Weather cards have come out to remind hospitals to keep helipads clean during cold weather. Bill states the mailings went out yesterday. If anyone needs cards printed we can print some for the group. No one asked for cards</p>	<p>Helicopter Shopping follow up; How to report and send letter to hospitals.</p>	<p>Committee</p>
<p>Google</p>	<p>Ongoing item for discussion with the committee. Should we use the google drive for sharing documents? Need to discuss updates to lists/emails etc at the general assembly</p>	<p>By vote, the Safety Committee supports this initiative</p>	
<p>Noise abatement areas</p>	<p>No new developments.</p>	<p>Ongoing</p>	<p>Committee</p>
<p>Part 135 Changes</p>	<p>Info – Update status at the next meeting</p>	<p>Ongoing</p>	<p>Committee</p>
<p>LZ presentation</p>	<p>Dave Reese and Aaron Winfield will be working on this. Dave and Aaron will need to connect to get started on this project.</p>	<p>Ongoing</p>	<p>Dave Reese, Aaron Winfield</p>

Social Media	Tammy Weaver was working on media outlets and videotaping etc. Project became very complicated and she is going to continue to work on this.	This was transferred out of the Safety Committee to the general body since it is not a Safety Issue.	
Drone activity	Discussion about drone activity. The group would like to keep this on the agenda and discuss.  Outreach education done by Med Trans in Virginia. More buy in from the legislators.	Brian Conroy from Toledo will reach out to his contact regarding drone education. Potentially to bring to our meeting to discuss. Janie is to reach out to Carillon to get information on drones.	Brian Conroy  Janie Ward Neither individual present. Update at the next meeting.
Ground safety	Discussed ground risk assessment scores. Discussed some of the NFPA standards. Cockpit recording was discussed.	Ongoing	Committee
Safety Day	Safety Day planned for August 16 <sup>th</sup> and 17 <sup>th</sup> .	Info	Committee

Minutes respectfully submitted by Stan Kocol
